Year 8 - Activ8 Challenge

Dear Parents / Caregivers

On Friday the 19th of September we plan to hold an Activ8 Challenge. There will be a community section, which will involve challenges around the community and a school based competition at school. The teams involved in the community challenge will have two Year 13 students to support them. This activity will run from 9.00am until 12.00pm.

Activ8 is when the pupils are involved in a variety of physical challenges. The emphasis here is on teamwork/cooperation, and problem solving skills. Some of the activities may include...

- Bishops court rugby kicking challenge
- Golf putting challenge
- Part of an Orienteering Course
- Group initiative task ...

We will need a number of adults to act as marshalls and to help run activities, especially in the community section. Once the groups have completed their challenge they will have their score card stamped and move onto the next challenge.

The cost to run this activity has been charged to your school accounts for the term.

There will be a meeting for helpers on the day to clarify the roles/activities that need supervision and to answer any questions that these helpers may have.

Please return the below slip if you are able to assist in the running of this activity.

Kind Regards

Year 8 Teachers
